

## 2022 MRC Stipend Application

The Midwest Registrars Committee is offering four travel stipends of \$750 for members to attend the Association of Midwest Museums and Wisconsin Federation of Museums Virtual + In-Person Joint Conference, with virtual program day on July 19 and in-person program days from July 20-23, 2022, in Milwaukee, Wisconsin.

Applicants must be active members of the Midwest Registrars Committee--with dues paid for 2022--and work or attend college in the Midwest region. Selections will be based on the materials submitted to the Travel Stipend Committee. The recipients will attend the MRC business meeting at the conference and will write one article for the MRC Courier about a session at the conference. Applicants awarded the MRC Travel stipend for one of the last three conferences (2018, 2019, or 2021) will not be considered.

To apply, please complete the form below and attach the required additional information.
